

Bio-Solutions Corp. Joins Information Portal StockProfile.com

Montréal, Canada, February 16, 2009. Bio-Solutions Corp. (BISU, OTC:BB), today announced that it has joined www.StockProfile.com, a customized web-based platform showcasing emerging growth stocks.

StockProfile.com provides the investing public with a free unique information portal for investors who like to conduct their own research and make their own investment decisions. «We are very happy to join this portal that we think it will be a good opportunity to raise awareness of investor's community on our Company» say Dr Chaumillon. The platform allows users to review and investigate dynamic publicly traded companies in a user-friendly environment.

«Keep watching for an upcoming 2009 shareholder recap and soon to come company updates!» stressed Dr Chaumillon.

Forward-Looking Statements

This press release contains forward-looking statements made pursuant to the safe harbour provisions of the U.S. Securities Litigation Reform Act of 1995. Forward-looking statements involve known and unknown risks and uncertainties, which could cause the Bio-Solutions' actual results to differ materially from those in the forward-looking statements. Such risks and uncertainties include, among others, the availability of funds and resources to pursue R&D projects, the successful and timely completion of studies, the ability of the Company to take advantage of business opportunities in the biotechnology industry, uncertainties related to the regulatory process and general changes in economic conditions. Investors should consult the Company's quarterly and annual filings with the U.S. securities commissions for additional information on risks and uncertainties relating to the forward-looking statements. Investors are cautioned not to rely on these forward-looking statements. The Company does not undertake to update these forward-looking statements and disclaims any obligation to update any such factors or to publicly announce the result of any revisions to any of the forward-looking statements contained herein to reflect future results, events or developments, except if we are requested by a governmental authority or applicable law.
